**Subject:** Re: DMNA May Council Meeting -- Agenda Items and Committee Reports Needed

Hi everyone,

I wanted to add one extra document to the agenda, which hopefully you'll have a chance to review before tonight's meeting. This document, given to us at last night's working group meeting, outlines Edgewood High School's current plans for upgrading its athletic field. Page 1 details the reasons they pursued the upgrade; page 2 is their initial plan to pursue a Master Plan amendment; page 3 is the revised and current plan; and page 4 is their answers to questions submitted by our working group.

This document will go out to the neighborhood tomorrow along with the notes from last night's meeting, to avoid cluttering up inboxes with multiple DMNA alerts, but you can feel free to share it with other neighbors not on this list if you'd like. I'll print out copies for tonight as well.

Thanks,  
Rachel
